EXPERIENCE

SEP 2012 to
PRESENT

REMOTE

UI/UX Designer

TRUPHONE (LONDON, UK)

Worked across the entire Truphone app development process for iOS, Android and Blackberry 10. From concept, wireframes, prototype, UI / UX / motion design, icon design to final hand-off to developers.

JAN 2010 to
AUG 2012

UI/UX Designer

HTC CORP. (MINSK, BELARUS)

Designed specs, guidelines, wireframes, prototypes, user interfaces, icons and visual elements for HTC apps, both Android and Windows Phone 7

MAR 2009 to
JAN 2010

Design Lead

INTELLECTSOFT (MINSK, BELARUS)

Led a team of web and mobile designers. Together we created websites and mobile apps for a wide range of clients, including Universal, Clinique, Nestle, Guinness and others.

JAN 2008 to
MAR 2009

Designer

INTELLECTSOFT (MINSK, BELARUS)

Designed websites, identities, information graphics, print pieces and apps for companies including NHS, Toyota, Wipro and others.
